# ALLTECH PRACTICE XC & SJ

24th April 2021 9am - 3pm

## BOOKINGS ARE ESSENTIAL

These fun training days are a great chance to get your horse jumping cross country and show jumps, There is usually one fully set Show Jumping course that you can adjust heights according to your experience level and practice rounds or a few jumps, plus a variety of cross country fences, which may include banks, ditches, corners, mobiles, skinnies and water etc.

Room may be limited depending on weather, however with almost 3 acres of sand arenas we are guaranteed to run.

Riders are required to wear back protectors and provide emergency contacts if riding alone.

We strongly recommend having a friend, instructor or family member with you when you jump, however we will have a staff member on hand at all times when you are jumping.

Fences open for jumping will be flagged. Just like in a normal competition situation we ask that you keep the red flag on your right hand side when jumping any fences, this will keep the track around the jumps flowing and avoid head on collisions.

We ask that all riders show courtesy to others riding in the same practice session (we try to limit the sessions to four riders per half hour) to give everyone space.
