

RIDING AT ALERT LEVEL 2

Riding at Woodhill Sands during alert level 2 will be different from riding here at Alert Level 1.

It is critical that everyone obey the following rules to help keep us all safe.

CONTACT TRACING:

Sign in when you first arrive at the front gate. Our government QR code is situated to the right of the gate as you enter the property (as well as by the office and toilets if you forget!)

MAINTAIN SOCIAL DISTANCING:

Please do not congregate around wash bays, café, office, yards or in the car park – stay 2 metres apart and wear a mask if possible contact with other people on site, may occur.

PERSONAL HYGIENE:

Wash and dry your hands (20 seconds wash, 20 seconds dry) or use sanitizer provided at multiple places, especially when using high traffic areas - toilets, door handles, gate, wash bay .

“We will take responsibility for health and safety procedures, however, ALL PEOPLE ON THE SITE need to be aware of their responsibilities and comply with the venue and event’s health and safety policy and COVID 19 Alert level restrictions”

NOT WELL? STAY HOME.

If you are not feeling well please don't come to Woodhill Sands. Stay home and seek advice from your doctor or health line.

GATHERING RESTRICTIONS

Due to the nature of Alert Level 2 that Auckland has been placed under we have to restrict the number of people on the grounds at any one time. Please limit anyone coming with you to 1 person. They must be registered as a support person when you are entering on your equestrian entries booking and please include contact details for them.

Entries and full event schedule are available on www.equestrianentries.co.nz
