## **The Woodhill Sands Story**

**Woodhill Sands is a story of collaboration across the equestrian community, to ensure a lasting place for equestrian sports competition and training in the Auckland Region. Woodhill Sands Equestrian Centre is a community led development purchased by the sport through The Woodhill Sands Trust, in October 2017 to secure ongoing access to this wonderful venue.**

**The equestrian community undertook extensive fundraising, collecting funds for the required deposit, allowing the Trust to complete the purchase. This occurred in October 2017 with a 20-year mortgage from ASB Bank with support from Auckland Council as guarantor.**

**Woodhill Sands is now owned by the sport and all the riders that come from far and wide to train and compete at the facility**

**Woodhill Sands Trust and other groups from across the riding community hold events throughout the year catering for all levels across all the different areas of our sport.**

**Woodhill Sands is the only venue with a 100% natural, all-weather surface (sand based). This provides a wonderful solution for a riding surfaces to enable year round competition and training activity. Indeed, participation extends for a full 12 months across multiple disciplines most weekends. Elsewhere, winter competition on this scale is very limited due to unsuitable ground conditions. As a result, Woodhill Sands is a key venue for horse riders to train and compete all year round.**

**The Team at Woodhill Sands are excited about the future and look forward to sharing it with riders, supporters and spectators for many years to come.**

**We hope to see you soon!**
